YOUR NEXT EIGHT MOVES

Savage Start - free checklist

1. Choose one task you can already complete.
2. Name one buyer with a specific problem.
3. Define the exact file or service they receive.
4. Set boundaries and a provisional price using verified costs.
5. Make and check one original sample.
6. Test the purchase and delivery route before promoting it.
7. Share one useful demonstration with one next step.
8. Review actual visits, purchases, fees and support questions.

No AI account is required. No paid planner, membership or coaching access is included. Use this checklist for your own planning; resale and redistribution are not included. AI assisted drafting and production. Created by Melissa Eagle, Mel's Savage Soul.
